

CLARK YOUTH THEATRE *presents* THE PENGUIN PROJECT[®] 2019

What is The Penguin Project[®]?

The Penguin Project[®] provides an opportunity for children with disabilities to develop creative skills related to the theatre arts. Every year this magical and touching celebration of the human spirit unfolds in East Peoria, IL as these children perform a well-known musical. Now is the time to bring this wonderful production back to the Tulsa community.

For its fourth annual production, Clark Youth Theatre will perform **Seussical KIDS** with book by Lynn Ahrens and Stephen Flaherty, Music by Stephen Flaherty, Lyrics by Lynn Ahrens and based on the works of Dr. Seuss. Performances are scheduled for February 15 & 16, 2019 at 7:30 p.m. and on February 17, 2019 at 2:00 p.m. All performances will be held at Cascia Hall Performing Arts Center.

Participants:

Young Artists with Disabilities

Clark Youth Theatre is seeking young artists ages 8-22 for The Penguin Project[®]. The program includes children with cognitive, learning, motor, hearing and visual impairments; genetic disorders; and neurological conditions. There are no restrictions based on the level of cognitive ability, restriction of mobility, or lack of communication skills.

Peer Mentors

Clark Youth Theatre is seeking volunteers interested in participating in The Penguin Project[®] as mentors. The Penguin Project[®] utilizes a "peer mentor" system, linking each young artist with an age-level peer who does not have a disability. The peer mentors work side-by-side with their partners, assisting them through the entire rehearsal process and onstage. They are onstage during the production, costumed to match or compliment their partners.

Community Partners:

Clark Youth Theatre has partnered with Cascia Hall Preparatory School and various local agencies to make this year's event special, but we need additional support to continue to bring this project to our community for years to come! Please contact the Clark office for more information about becoming a supporter.
